### **International Diploma in Educational Leadership-Higher Education 4<sup>th</sup> Batch**

Dear Sir/Madam,

Centre for Higher Education Studies and Training of SEED had conducted an international Diploma Programme in Educational Leadership-Higher Education. Three batches of Principals of Colleges and Heads of institutions of higher education had completed the diploma programme. As part of the Diploma programme participants completed their projects along with term papers and a portfolio of learning. They also interacted with experts in Delhi for a week on various modules of diploma programme. They also visited UNESCO headquarters, OECD headquarters, International Institute of Educational Planning, in Paris, France. Some groups of participants visited Geneva and Maastricht School of Management, Netherlands.

Many people asked us for the launch of the Diploma programme. However, due to the Covid-19 period and due to other exigencies Fourth Batch programme could not be launched. Besides, It was thought appropriate to revamp the programme before it is launched.

Now with intensive discussions with experts, the IDEL=HE programme has been revamped and made into four terms programme of 12 weeks each term. The methodology of the transaction of the programme is virtual/online, making content available on e-content form and one week of in-person interaction with experts in Delhi and one-week international summer school in Paris/ other places.

We are happy to announce the launch of the IDEL-HE programme -Fourth Batch. We are attaching a programme brochure for your use. The programme starts on 5<sup>th</sup> September 2022. The last date of submission of the application is the 15<sup>th</sup> of August, 2022.

We would encourage you to enroll in the programme at the earliest.

With Best Wishes
